How We Do It

As a Social Enterprise we apply our knowledge, vision and drive to forever impact how people live and age at home.

Who We Work With

SE Health provides health care services across many areas of the health system, including home and community care, long-term care, acute care and primary care. Our customers include governments, regional health authorities, local health integration networks, hospitals, the seniors' living sector, community organizations and consumers.

Impacting the Future of Health

SE Health is one of Canada's largest diversified home health companies, advancing home care and health solutions to make lives better.

We use our 110+ years of diverse health care expertise to deliver excellence in home care, build capacity through education, create new models of care, and accelerate digital health and wellness technologies.
